

## Contract Flow

### Employer Side

#### *Current:*

Create New Contract	View Open Contracts	Review Applications
Active Contracts	View Ongoing Disputes	View Closed Contracts

#### *Desired:*

Create New Contract	View Posted Contracts	Review Applications
Sign Contracts	Active Contracts (signed)	Closed Contracts
Disputes	Arbitration	Settled

- + *Create New Contract*: This is the contract factory
- + *View Posted Contracts*: List of all contracts posted, ordered by date
- + *Review Applications*: Job applications to be reviewed; make offer or reject, if offered, goes back to employee for signature
- + *Sign Contracts*: List of contracts requiring employer's signature
- + *Active Contracts*: Signed active contracts
- + *Closed Contracts*: Job completed and wages paid
- + *Disputes*: ongoing disputes (reviewed by third party)
- + *Arbitration*: disputes requiring formal arbitration
- + *Settled*: contracts that were disputed but now settled (includes records of review process, arbitration, etc.)
